

# Go Ape Zip Line & Treetop Adventure at North Myrtle Beach Park & Sports Complex

## TEAM ADVENTURES

Zip, climb, and swing through the trees! **Go Ape is a highly interactive 2 – 3 hour outdoor adventure** featuring 5 zip lines and 40 obstacles in the canopy of the trees. Swinging from the trees and laughing along with your friends and teammates is a great way to spend the day and build camaraderie.

**Team Discounts** are available to any party of 10 or more and is 10% off on weekends or 20% off on weekdays. We also offer a tremendous discount to **Youth Teams**, where the majority of participants are under age 18.

Regular price: \$55 per adult (age 18+) and \$35 per child (age 10 – 17), plus tax. Book your team online at [goape.com](http://goape.com), or contact 1.800.971.8271 or [groups@goape.com](mailto:groups@goape.com) for more information.

### Participant Requirements to Go Ape:

- Min age of 10
- Min height of 4'7"
- Max weight of 285 lbs.
- Closed toe shoes and comfortable clothing
- Supervision requirements:
  - One participating adult for every two 10 – 15 year olds, and
  - One participating adult for every five 16 – 17 year olds

### The Go Ape Experience:

Depending on your group size, we would split you up into smaller groups of about 14 for the training sessions, with sessions running every 30 minutes. The sessions will be back to back so people will finish the course one after the other. The sessions are broken out for the safety briefing and for course flow purposes, but everyone will be on the course at the same time.

Your group will be equipped with harnesses, pulleys and carabineers, and given a 30 minute safety training and then let loose into the forest canopy, free to swing through the trees. Of course, instructors are always on hand, regularly patrolling the forest. The course is made up of five individual sections, each section taking you higher into the forest canopy and finishing with a zip line more exciting than the previous one! There are 40 crossings/obstacles which include, rope ladders, net bridges, tarzan swings and 5 zip lines. For your planning purposes, the course takes about 2-3 hours to complete but there is no limit on the time it takes your group to complete the course, as long as all the gorillas are off the course before the sun sets.

**Booking:** **Reservations recommended.** Groups of 1 - 100+ can be accommodated with advance notice. Walk-bys are accepted when space is available.
