I, the property owner/agent of the above listed location, grant permission to those listed above to remove motor vehicles from this designated private property without the vehicle owner's consent. This agreement shall remain in effect from date below until changed by property owner/agent.

Agent of record means the person that a property owner has given authority to authorize a wrecker business to tow from their property by submitting an authorization form to the public safety department naming said person(s). The agent of record may not be any employee or agent of any towing business.

Owner/Agent Signature: _____
