## Corporate Membership Guidelines

- > A business must generate and maintain a minimum of four membership packages. As an example four members of the same family will be considered one package. If packages drop below four, then the rates revert to regular membership. Must have four packages within 30 business days submitted together.
- > A minimum of one person on the membership must be employed by the business.
- > A Senior Individual, Senior Couple, and Young Adult memberships are currently discounted and are not eligible for corporate rates.
- > Corporate rates will apply to Annual Memberships.
- > Proof of employment is required when signing up for a corporate membership (Pay stub, employee ID, Business Card).
- > Corporate memberships apply to currently active employees only.

Regular paid in full members transitioning to a corporate membership will be refunded a balance from the original membership to be credited to the new corporate membership
