

Coming to North Myrtle Beach for a baseball / softball tournament in the future? Here are precautions that are being taken to make your event as safe as possible.

- All dugouts, bleachers and major touch point areas at each field will be cleaned before *every* game. We ask for your patience between games to allow for proper cleaning of the player and spectator areas.
- Additional team benches will be added to each bullpen to allow adequate room for teams to social distance.
- An enhanced cleaning schedule for the restrooms will be in effect during the tournament.
- All entrance / exit gates will remain open for the duration of the event.
- Additional hand sanitizing stations will be located throughout the facility.

For the safety of our patrons and employees we advise visitors to adhere to the following recommendations.

- Do **NOT** enter the facility if you have recently been ill, had a fever, cough or shortness of breath.
- We recommend all spectators to wear a mask while inside the facility. Players are asked to wear masks when not playing.
- Park in the designated areas closest to the field your team is playing on. See attached map for parking lot designations.
- Players / coaches should not enter the facility more than *45* minutes prior to their game time. Spectators should not enter the facility more than *15* minutes prior to their game time.
- Practice social distancing. Spectators should bring their own chair if possible. Additional room for seating is located down the first and third base line. If seated in bleachers maintain a minimum of 6' between spectators. Staff will be patrolling for compliance.
- No team coolers allowed. Each player should bring their own water/drink bottle. Water fountains should be used to refill bottles only.
- We encourage all players and spectators to self-sanitize the areas they will be occupying.

Parking for North Myrtle Beach Park and Sports Complex

Please park in the parking lot closest to your field and enter through that gate.

If your team is scheduled to play on:

Fields 2 or 3, please park in Parking Lot 1 and enter through Gate A

Fields 1 or 6, please park in Parking Lot 2 or Parking Lot 3 and enter through the Main Gate

Fields 4 and 5, please park in Parking Lot 4 and enter through Gate B

There will be hand sanitizing stations as you enter the park and please practice social distancing.
